

Calandula falls Itinerary

Explore one of the 7 wonders of Angola! Tap into the history and mysticism of the Black Rocks of Pungo Andongo while enjoying the natural beauty of the many attractions Malanje has to offer and share some laughs with the local Community.

Day 1 5h30min

We leave the City and begin our journey to Malange

Ndalatanto – Cuanza Norte 9h30

We will make our first stop for breakfast at the Terminus hotel and visit the Botanical Garden, an experimental garden with different species of the trees, where research is done on the Angolan Flora

Black Rocks of Pungo Andongo 13h

After two hours we will have our second stop and take a short hike up the Black Rocks viewpoint to discover the mystery behind it.

Kwanza River 15H30

We continue to Malange, with a few stops along the way for local fruits. We arrive at the Kwanza Rapids, one of the many wonders the Province has to offer and a sight not to be missed.

Portugalia Hotel 17h30min

After our long drive we finally arrive in the City of Malanje. We get to know the City with a short tour and head to the hotel where we will be accommodated and have dinner.

Day 2 7h30min

After a quick breakfast we get ready for another day and head straight to Calandula City

Musseleje falls 9h

A beautiful scenery of the small waterfall, with a natural swimming pool for a quick dive. After the view we stop in the village of Musseleje and play with the kids.

Calandula Falls 10:30

Visit one of the 7 wonders and a must-see for anyone visiting Angola. The Calandula Falls are the second largest in Africa. We visit the falls first from the central viewpoint and then enjoy lunch facing the falls at Pousada Calandula
