

Muxima tour Itinerary

Departure 6h

We will depart from the city of Luanda to the recently added Luanda, the district of Quiçama, before the municipality of Bengo. Our drive will take about 2 hours to the village of Muxima.

Muxima 8h

For 45min we take a boat trip, down the Kwanza river, to the village of Cabonda. It used to be an important point for TOTAL Oil Company, which had in the 70, the initiative of oil exploration in those areas.

Cabonda village 9h

The local community will welcome us and with local guides, we will learn about the way of life, what they do for a living, interact with the kids, and even get to taste the traditional food of that community. During 1h30min we will get to know and have a unique experience in Cabonda

Muxima Fortress 12h

We will visit the Fortaleza, a place used by the Portuguese, in colonial times, for fountain control.

Mussulo Island 15h30min

Stop at Mussulo

to have a relaxing time on the beach. We took a 20min walk along the beach, seeing some popular places to get a general idea of how the Island is.
